Product Specification Sheet

Targus Chill Hub™
Part #: AWE12US

Product Description:

The Targus Notebook Cooling ChillHub™ is designed to help maximize notebook performance by keeping the notebook cool during use. Two fans pass cool air over the notebook to help prevent overheating. An integrated 4-port USB 2.0 hub provides added connectivity for peripherals such as mice, memory drives, keyboards, cameras, printers and other USB powered devices. Perfect for use in the office or on the road.
